

*Though your smile is gone forever  
and your hand we cannot touch.  
We still have so many memories  
of the one we loved so much.  
Your memory is now our keepsake  
which with we'll never part.  
God has you in his keeping  
we have you in our heart.*

# Darion **D. WILLIAMS** Story

Darion DaShon Williams was born to Darrell and Sharonda on April 20, 1996, in St. Louis, Mo. Darion was the second born of four children. Out of his siblings he was known for being the jokester, the protector and for his big smile. He departed this earthly life at the age of twenty-seven on Sunday, June 4, 2023.

Darion was born into The Israel of God's Church and was a member until his passing. Since he was a kid Darion looked forward to attending summer camp, conferences, and other church outings where he would fellowship with his family and peers throughout the connection and learn about the God of Israel. Darion was baptized at the annual conference in August of 2015 in Sycamore, IL.

Darion was educated in the Hazelwood School District. He graduated from Hazelwood Central High School in 2014. In 2019 he attended Ranken Technical School and received a certificate upon completion of the electrical program. In December 2022 he graduated from the NPower Tech Fundamentals Program where he earned an internship with Accenture, Skills to Succeed. Darion was excited to begin his internship on June 5th, but his life was cut short the day before.

Darion was extremely hard working, and his passion was to be an entrepreneur. He started several businesses, one of which he started with his siblings. With his businesses he wanted to put himself in a position where he could help others. Darion also had plans to own and manage his own property one day. Darion was very athletic and a huge sports fan. At the age of six he started playing sports at Herbert Hoover Boys and Girls Club and continued through his senior year of high school. He would always watch old games and sport documentaries any chance he could. Darion loved being around his family for games nights, holidays and celebrating special occasions such as the birth of his nephew. He was incredibly happy to become an uncle for the first time and would always say things he would do with nephew when he got older. Darion leaves to cherish his loving memories: his Mother Sharonda, his father Darrell (Carmen), two brothers Dorian and D'Marco, his sister Dehja, sister-in-Law Chanell, nephew Dorian II, his Grandparents Michael Williams Sr., Shirley Williams and Renee Slater and a host of Uncles, Aunts, Cousins, and Friends.

DARION WAS DEEPLY LOVED AND WILL BE MISSED TERRIBLY!
