Recessional

*Release me, let me go.*

*I have so many things to see and do.*

*You mustn't tie yourself to me with tears, Be*

*happy that we had so many years.*

*I gave you my love and you can only guess,*

*How much you gave me in happiness.*

*I thank you for the love you each have shown,*

*But now it's time I traveled on alone.*

*So grieve awhile for me, if grieve you must then let*

*your grief be comforted by trust.*

*It's only for awhile that we must part*

*So bless the memories with in your heart.*

*I won't be far away, for life goes on,*

*So, if you need me, call and I will come.*

*Though you can't see or touch me, I'll be near and*

*if you listen with your heart,*

*you'll hear all my love around you soft and clear.*

*And then, when you must come this way alone,*

*I'll greet you with a smile and say,*

*"welcome home"*
