

To Our BELOVED GRANDMOTHER

You were the sun that warmed our days, With love and kindness in countless ways. Your embrace was a haven, a place of delight, In your presence, everything felt just right.

You shared stories and wisdom, a boundless treasure, Filling our hearts with joy beyond measure. Through laughter and tears, you stood by our side, A guiding star, in whom we confide.

Your love was a beacon, forever aglow, A nurturing force that helped us grow. With open arms, you welcomed us in, A love so pure, it felt like a win.

Though you've passed on, your spirit lives strong, In every memory, in every song. We carry your love, forever it'll be, A cherished gift from you to me.

As we say goodbye, the tears may flow, But in our hearts, you'll always glow. Rest in peace, dear grandmother, so dear, Your love remains eternally near.

Loving Memory Of OUR BABY SISTER MELODY

Though you graced our lives for just a while, your presence filled our hearts with a precious smile. A little angel, so gentle and pure, in our memories, you'll always endure.

Though you left us too soon, we'll never forget the love we shared, a bond we'll never regret. You touched our lives in ways untold, A brief, beautiful story that will forever unfold.

In the embrace of heaven, you now reside, Watching over us with love and pride. Though we miss you dearly, we find solace in knowing, in our hearts, your love will keep on growing.

Rest peacefully, dear sister, in the realm above, Surrounded by light, eternal love. Your memory remains, a guiding light, forever in our hearts, shining bright.

Loving Memory Of OUR DEAR MOTHER

In the embrace of eternity, you now reside, A beacon of love and strength, forever by our side. Your gentle touch and caring heart shall never fade, though we are apart. You taught us to soar on wings of grace, to navigate life's challenges, to find our place.

Through every storm, you were our guide, with wisdom and warmth, you stood beside. Your laughter echoed, a symphony of joy, in every moment, you found reasons to enjoy. Through tears and laughter, we shared it all; in your love, we found the strength to stand tall. In every hug, in every kiss, your love was a treasure we'll forever miss. Though you've left this earthly pain, in our hearts, your

love shall remain. We find solace knowing you're at peace, In the embrace of love's release. As we honor your memory, with each passing day, your light shines on in every way. You were more than

a mother; you were a friend, with you, our hearts will eternally mend. In cherished memories, you'll forever reside, A guiding star, a love that won't subside. Though we grieve, our love stands strong,

For you, dear mother, we'll forever long. Until we meet again, beyond the blue, in our hearts, we'll always remember you.
